# Cassita II

For anyone who appreciates **modern** and **stylish design**.

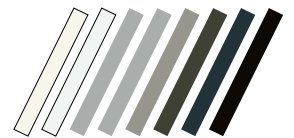

In combination with the two-point attachment, the ultra-flat, oval cassette of the Cassita awning ensures elegant lightness. Having won the iF Product Design Award and the 2014 Reddot Award, it inspires all design lovers. And to ensure a long service life, both the cloth and the technology are protected inside the cassette.

#### Dimensions:

# G 4000

**For more flexibility** – the perfect awning system that adapts to any situation.

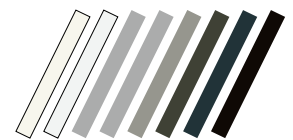

The G 4000 combines beauty and strength. The closed cassette awning guarantees flawless all-round protection. The mechanics and the awning fabric disappear inside the compact cassette and are optimally protected from wind and weather when wound up.

**Dimensions:**

Max. width	700 cm/1200 cm
Max. projection	400 cm
